Over 2100 square feet of one level living at its best. This spectacular custom-built home has had only two owners and is completely updated.

The gourmet kitchen with custom cabinetry, five-burner range, a large island and quartz countertops opens onto an inviting family room. Gorgeous ¾" maple hardwood flooring, Pella windows and doors, two gas fireplaces, heated porcelain tile bathroom floors and a large master bedroom with ensuite and walk-in closet are just a few of the many features of this home.

The generous 82' x 140' west facing lot is beautifully landscaped with a thoughtful selection of low maintenance plantings that provide privacy and elegant outdoor living. You'll be enchanted by the stone pathways, water feature, greenhouse and covered pergola with infrared heater, perfect for al fresco dining.

This property is a truly unique offering! It is located on the quiet, no thru end of the street, only a few houses to the water.
